

Mediterranean Geosciences Union
Annual Meeting | Istanbul, 27–30 November 2023

Proceedings in ASTI Series (Scopus)

Dear colleague,

The **Mediterranean Geosciences Union** organizes the **3rd MedGU** at the Congress Center of the **Istanbul Technical University** (Türkiye) in collaboration with **other universities** in the Mediterranean region and with **Springer Nature** as publishing partner.

The proceedings (limited to 5 Word pages including figures and references) will be published in the Springer/IEREK **ASTI Book Series** (indexed in Scopus and SCImago) and extended papers will be published in **Special Issues** of journals (indexed in Scopus and Web of Science).

Visit our website (www.medgu.org) to learn more about the event.

On this occasion, we are pleased to invite you to take part in the conference (in-person or virtually) and share/discuss your latest research findings.

**“ Submission deadline
20 July 2023 ”**

MedGU-23 Keypoints:

- The MedGU Annual Meeting is one of the largest international geoscience meetings in the region (250 attended in-person the **MedGU-22** and 200 online).
- The MedGU Annual Meeting aims to provide a forum where geoscientists, especially early career researchers, can present and discuss their findings with experts in all fields of geosciences.
- The MedGU-23 will take place on **27–30 November 2023** in Istanbul, Türkiye.
- It will go ahead **in person** but there will be a possibility to present **online**.
- It will feature talks and panels covering a diverse range of geoscience and geoscience-society topics.
- Abstract submissions (max. 350 words) will be accepted until **20 July 2023**. Please read the **Guidelines**.
- The MedGU-23 encourages submissions of research works from all regions of the world.
- Read about our MedGU-23 **Publication Plan**.
- Discover here the Past Events.
- Contact us, if you need more information: contact@medgu.org

We invite you to come to Istanbul and participate in an exciting conference in a stimulating environment!
